

# DUCO CERTIFIED EXCEPTIONS HANDLER

The Duco Certified Exceptions Handler exam is intended for individuals who will be the end-users of reconciliations. Specifically, where a process has the Exceptions Workflow functionality enabled.

## OVERVIEW

The Duco Certified Exceptions Handler credential guarantees competence in the use of Duco's suite of exceptions workflow functionality. This covers the exceptions lifecycle, commenting and labelling, sorting and filtering, record tracking & carry-over and exceptions auditing. Holding this credential proves a comprehensive understanding of the above functionality as well as proficiency in its use.
